

THE LOVE MALLACOOTA CROSSWORD

Special History & Pioneers Edition • Edition No. 2 for lovemallacoota.au

Welcome to the second edition of our community crossword puzzle! Since our last issue, we've **doubled the word density** and introduced historical figures to create a tightly connected, challenging grid. Challenge yourself and test your knowledge of local legends, industries, and places from the shores of paradise. From the pioneering Swedish bark boss Karl Rasmus (1884) to Benjamin Boyd's coastal whaling era, the famous visits of Henry Lawson and Louis Esson under canvas, and the old gold mines across the lake, every clue in this puzzle is strictly grounded in the historical archives of Mallacoota. Happy solving!
